

IN THE DRAWINGS

It is asserted in the Office Action that the drawings are objected to for the following informalities: (1) “FIG 54”, referring to the sectional view at the left of drawing sheet 20, should be –FIG 57--; (2) The figure to the left of FIG 78 should be labeled as “FIG 79”; (3) Numeral “10”, mentioned on lines 7, 13, 15, and 19 of page 5, lines 1 and 14 of page 6, line 17 of page 7, line 5 of claim 41 and line 2 of claim 42, cannot be found on the drawing; and (4) In FIG 3, it appears that “50” should be –56--. Applicant has amended Drawing Sheets 1/24, 3/24, 20/24 and 22/24, and has also amended the specification (see below) to overcome the objections mentioned above. Approval is respectfully requested.
